

Song 1 Christmas Boogie-Woogie

CHORUS

Everybody dance to the  
Christmas boogie-woogie. (X3)

1) It's 1940, the war's begun,

Our lives are filled with the fear of what may come.

But for one day of the year,

We'll try to make these thoughts disappear,

'Cause Christmas time, Christmas time is here. (Repeat chorus)

2) Please Mr. Churchill, Give us some cheer,

Don't let Hitler spoil our Christmas here.

We just want some real peace on earth,

With no more fighting no more hurt

'Cause Christmas time, Christmas time is here. (Repeat chorus)

Song 2 It Snow Fun

CHORUS

It's no fun without the snow,  
Christmas isn't Christmas without it you know,  
And it's no good, snow good at all,  
Without a white heavy snowfall.  
It's no fun without the snow,  
Christmas isn't Christmas without it you know,  
And it's no good, snow good at all,  
Unless you have a deep, thick, crisp, white, heavy snowfall.

VERSE

We'll go build a snowman out the back,  
And dress him with a scarf and an old top hat,  
Then we'll go sledding down the hill,  
Zooming to the bottom is such a thrill,  
Later we might even have a skate,  
We'll have a race 'n do a figure eight,  
But our favourite thing if the frost don't bite,  
Is to have a good old-fashioned snowball fight.

(Repeat chorus, verse and chorus again)

Song 3 Run Rudolph Run?

CHORUS

Run Rudolph! Run Rudolph! Run, run, run,  
Bring us lots of presents by the ton, ton, ton,  
Please Santa, please Santa, Don't you get shot down,  
So run Rudolph! Run Rudolph! Run, run, run.

(Repeat)

1) Please Santa please, I know I've been quite naughty,  
I haven't always been the best that I could be,  
So all I'm asking for is that you will turn a blind eye,  
And leave me lots of presents under the Christmas tree?

(Repeat chorus)

2) I'm sorry I put a worm down Toby's back,  
And I'm sorry I put itching powder on my teacher's chair,  
So please when I look in my stocking in the morning  
Will you have left me lots of presents there?

(Repeat chorus)

I hate this stupid war, there is no end in sight.

CHORUS

All we want is peace on earth,

And goodwill to all men,

Why can't there be peace on earth,

Will war ever end?

Song 7 Let's Make Friends

VERSE

Let's make friends,  
Let's make a brand new start,  
I think that we should try again,  
I think that would be smart,  
Let's make friends,  
Let's make a brand new start,  
From now on we will be best mates,  
We'll never be apart.

CHORUS

And I will always be your friend  
No matter what may come,  
And I will always be your friend  
Our friendship's just begun.  
I'll be there for you,  
I'll stand by your side,  
Whatever life may throw our way,  
Our friendship will survive.  
I'll be there for you,  
I'll stand by your side,  
Whatever life may throw our way,  
Our friendship will survive.

(Repeat all)

Song 8 Christmas Is A Time For Giving

1) The angels brought gifts,  
Of good news and song,  
The shepherds brought gifts,  
Of joy and hope along,  
The innkeeper gave a place to stay,  
A stable and manger,  
The wise men brought their gifts,  
Gold, frankincense and myrrh,  
But God himself was the one who gave,  
The first real Christmas gift,  
Jesus Christ his only Son,  
A gift for all the earth.

CHORUS

Christmas is a time for giving,  
Giving in many ways,  
Giving to all mankind,  
Christmas is a time for giving,  
Why don't you give a gift to help someone?  
At Christmas time.

Verse 2

At Christmas we give, not just games and toys,  
But we also give, kindness and love and joy,  
For the true meaning of Christmas time,

Is more than having fun,  
It's giving to and thinking,  
Of all those who have none,  
For God himself was the one who gave,  
The first real Christmas gift,  
Jesus Christ his only son,  
A gift for all the earth.

(Repeat chorus twice)

ENDING

At Christmas time (X2)

Song 9 Christmas Boogie-Woogie (Ending)

Try to make friends over again,

There's too much fighting in this world,
